

Introducing Driverseat Belleville

Driverseat is a growing, five year old Canadian company with a track record of impeccable service with over 30 franchises in Ontario, Manitoba, and Saskatchewan. This is unique transportation business with a social mission to help end impaired driving through their Designated Driver service that gets both customers and their vehicles home after an enjoyable time out.

Driverseat also offers a broad range of affordable chauffeur services to fit any mobility need. These services include Assisted Transport for seniors and children, Airport Drop Off and Pick Up, Vehicle Chauffeur, and Wine Tours.

All of the services involve driving the customer's, or in some cases a family member's or a Company, vehicle. The Designated Driver services are app supported and offer customers and drivers' convenience and connectivity.

Franchise owners, Donna Nelham and Paul Tremlett, are building a team of qualified drivers (Coachmen and Coachwomen) from the community who will work flexible hours delivering these helpful services that make a positive difference, while earning extra income.

The Franchise is currently underway in a soft launch mode with plans for a Grand Opening in the Belleville/Quinte West area, October 12 – 14. The Opening will kick off Thursday October 12th late morning/early afternoon in front of the Belleville Chamber of Commerce (Log Cabin) for a ribbon cutting ceremony and engaging patrons. An opening ceremony for Quinte West will occur adjacent to the Chamber Offices on the morning of Friday October 13th. Late afternoon and early evening on October 12th will find Driverseat greeting patrons of the Shorelines Casino. On Friday afternoon October 13th and all day Saturday October 14th they will greet people at the Belleville Canadian Tire store courtesy of Store Owner, Dennis McCollough. As part of the opening, Driverseat will be giving away valuable prizes including the Grand Prize of a dinner and overnight stay for two at Angeline's and The Hubb Eatery in Bloomfield, followed by a 5 hour wine tour courtesy of the Franchise.

The Driverseat concept is being warmly received as a business with a heart, offering a wonderful range of alternatives "for getting you where you need to go, safely and affordably." You can learn more about Driverseat Belleville/Quinte by checking them out on Facebook: <http://Facebook.com/driverseatbelleville>.

Paul and Donna are keen to let Belleville and Quinte West know that Driverseat is here to offer safe, affordable transportation alternatives and flexible, part-time work opportunities. The Grand Opening is a prime chance to attract people from the community to discover first-hand the value of becoming a Driverseat customer or coachman.
